

### LIGHTING OF THE FOURTH ADVENT CANDLE

Reader: How may God's Love take shape in our world? In dreams, which move us to risk compassion; in a vision of a community whole and peace-filled; in hope which leads to work for peace. So we light this candle of Love and pray:

*Light the fourth candle in the wreath.*

Reader: Let us pray together:

**People: Come Lord Jesus! Open our hearts to the Love, which you embody; let that Love flow through us into your world!**
